

Town Charter

WHAT IS A TOWN CHARTER?

Florida Statutes 166 (Municipalities) A municipal charter (Town Charter) is the basic document that defines the organization, powers, functions and essential procedures of the town government. It is comparable to the Constitution of the United States or a state's constitution. The charter is, therefore, the most important legal document of any town. The original Town of Lake Hamilton Charter was granted by the Florida State Legislature in 1924.

Occasionally, a towns will seek to revise its charter. There are several reasons to do so, since the charter affects everything the town government does. It provides the basis for most municipal regulatory functions and for the delivery of municipal services. The process to amend the Town Charter is referenced in Florida Statute 166.031.
