

Water Outage - 5/25/21 - Boil Water Notice - Rescinded

News Release Date

05-21-2021

Event Date

Tue, May 25 2021, 9:30am

Update: 12:45PM 05/27/2021

The precautionary boil water notice issued on 05/25/2021 has been rescinded.

Update:4:00 PM 05/25/2021

Water service has been restored. A precautionary boil water notice shall remain in effect until further notice.

Update: 2:00 PM 05/25/2021 - The contractor ruptured a natural gas line near Omaha and Sample. The gas company has been notified, as well as emergency services. Please use caution in that area. The water service cannot be restored until the gas line is repaired.

Original Message:

As part of the Town of Lake Hamilton's commitment to utility infrastructure improvements, a water line maintenance project is scheduled for **Tuesday, May 25, 2021 beginning at 9:30AM**. Water utility customers may experience disruptions in water pressure and/or water outages in the following areas:

Location 1: Properties North of Main Street between Scenic Highway 17 and 6th Street

Location 2: N/A

The Town of Lake Hamilton thanks everyone for their patience and understanding during this project.

*****A precautionary boil water notice is in effect for impacted areas.**

*****Updates will be posted to this website as they become available.**

To sign up for **Water Service text alerts** from the Town of Lake Hamilton, text **LHWater to 91896**.
